

# STAND TOGETHER FOR A PEACEFUL, JUST & SUSTAINABLE WORLD

## Global Week of Action on Peace, Climate and Inequality

*We the peoples, stand together to call on the member states of the UN to take urgent and transformative decisions to attain lasting peace, equality, climate and environmental justice and ensure the survival of our planet for the next generations to come.*

*"It is possible to achieve our goals, but we need decisions, political will and transformational policies to allow us to still live in peace with our own climate."*
